# PRESIDENT'S REPORT

Tena Koutou Katoa.

It has been another great season in the Senior Competition at Kerikeri Netball Centre. As we stated at Senior Prizegiving, we have loved watching teams battle it out week after week and have hugely appreciated the support from previous Committee members, whanau and friends. This support helps our wonderful sport to be at the heart of our community and supports our drive to increase capabilities throughout our sport. It has been wonderful tonight to see so many whanau and past Committee members, here to watch the final games for our season.

Of the many positives this year, it has been particularly encouraging to see the comradeship between teams and a strong competitiveness on the court. We would like to acknowledge the many coaches, managers and umpires who supported our Development and Representative programme.

Whilst the Executive Committee retained two of its previous members in 2018, it welcomed five new people. I was honoured at the 2017 AGM to be nominated for the role of President and have thoroughly enjoyed the challenges and rewards of working to promote a sport at the heart of our community. I would like to thank the Executive Committee, who have brought so much energy and enthusiasm to their roles.

Tanya Nowell has taken over as Umpire Coordinator and she has led some positive innovations around paid umpires in the Premier grade. We have welcomed Angela Barker as a committee member, who has brought a wealth of knowledge to assist us with reformulating our values and vision for KKNC. Susan Manning has taken on the role of Secretary and has improved our systems, digitalised many of our processes and helped to revamp our website. Anna Jordan, as Treasurer, has put in many hours behind the scenes to make the finances run smoothly. Richard Hodge has continued in his valued role as Draw Steward and Jane Jarman has retained her role as Vice President, whilst also taking on the Coaching Coordinator role.

I would also like to give huge thank you to our family of local sponsors; particularly New World Kerikeri, who were the very generous sponsor of our Junior Tournament.

Once again, the Centre ran a very successful Representative Programme in 2018. This year, we decided to be more innovative around the Year 7 and 8 Programme; providing more opportunities for our youngest athletes to compete at Tournament. Details of this will be expanded on in the Representative section below.

We have also seen a number of our elite players have the opportunity to compete on the national stage again this year. Three of our members were invited to attend the U19 Nationals with the Whangarei Netball Centre. Congratulations to Bryna McCondach, Dannielle-Rose Dephoff and Holly Mather.

Finally once again I would like to thank you the members, whether players, coaches, umpires or supporters, you all contribute in your own way to the success of the Kerikeri Netball Centre. I wish the Centre all the very best for the future years. Once again, as we said at Senior Prizegiving It has been a successful year and at the Netball Centre we take heed of the words of the great Sir James Henare.

Kua tawhiti ke to tatou haerenga, ki te kore e haere tonu  
He tino nui rawa a tatou mahi, kia kore e mahi nui tonu

We have come too far not to go further  
We have done too much not to do more.

Jo Hona

# UMPIRING REPORT

The 2018 season has been a great season for umpiring and I've been excited to see the umpires and season progress. A highlight was definitely the trial of paying Premier umpires for the second round. A bold decision that paid dividends and allowed the best umpires to be allocated to the best games, ensuring teams had a suitably qualified umpire on premier games. For those umpires that made themselves available as independent umpires, we are grateful the huge contribution and effort you make to umpiring.

Our independent umpires – we could not have trialed this programme without you! Deresley Clarke, Arona Tipene, Trudie Porter, Stacey Fergusson, Joanne Hona, Summer Turnbull, Heidi Holden and both Teresa Shreeve and Wendy Cribb who as much as they tried to avoid it, also made their way back to Premier umpiring.

We will continue to look to build on the pool of umpires next season and engage on the continuation of how that may be structured and paid for.

An Umpire Coaching Workshop early in the season allowed us to establish relationships with neighbouring Centres and assist each other throughout the season, especially at our representative tournament where not all Centres could field sufficient umpires. We are grateful for their help and will continue to foster our ties with them. Being the only current umpire assessor meant we were unable to assess within our own Centre but utilised the Rep tournaments we attended to get our umpires assessed.

Successes: A huge congratulations to the following people:

Teresa Shreeve  
Arona Tipene  
Stacey Fergusson

These three ladies all obtained their NZC Theory this year. A huge achievement for them personally but also for our Centre to now have so many umpires at that level. We look forward to more umpires potentially sitting next year too. A massive thank you to Amie Pooley at Whangarei Netball Centre for including our team into her study sessions to sit the exam and Teresa, Arona and Stacey for your time and commitment to travelling to Whangarei weekly for classes.

Deresley Clarke, Teresa Shreeve and myself also all had our Zone Award endorsed this year.

Congratulations also to:

Heidi Holden and Summer Turnbull on gaining their Centre Award. Both these ladies are fabulous umpires who unfortunately had to start again getting their NZ equivalent qualifications as their Australian ones could not be transferred when they came home. We're lucky to have two more great umpires on board.

Our youngest Centre Award this year went to Hannah Watson. Hannah was given coaching at a rep tournament, took that all on board and passed the very next week. Congratulations on a well deserved Centre Award Hannah.

Ellee Newman has also done an amazing job this year and is definitely one of our up and coming umpires to watch. I look forward to seeing both young ladies progress next season.

It has been pleasing to see the confidence of our umpires over the season. I believe that our clear message about acceptable behaviour from the sideline has given umpires greater confidence and we will continue to support and encourage positive sideline behaviours.

Moving forward to next season, I'd like to thank Teresa for offering to renew her Coaching and Assessing Certificates which will be a huge help. To all the other umpires who don't necessarily want to go through the Umpire Coaching process but offer their learnings and expertise to other umpires, your help does not go unnoticed. Without that, I cannot reach everyone and I am always grateful for your help and advice umpires offer each other. The umpires room allowed those conversations, learnings and debriefings to happen to grow our games and knowledge.

We will continue to increase our umpiring expectations from teams. It contributes to our Strategic Plan, grows our game and offers players and teams the quality competition with quality umpires.

# COACHING REPORT

Kia ora Koutou

Firstly, I would like to start by thanking and acknowledging all of Kerikeri Netball Centre's many coaches at all levels. So many of our netball players, from Future Ferns to Premier Grade are supported, encouraged and developed by your commitment and energy.

As a coach myself, I find that I never stop learning. Many of you have signed up and attended coaching courses at the Centre and in 2019, our aim is to encourage as many coaches as possible to complete Player Centred Coaching. This foundation coaching module has supported many of our coaches to think about sport from the player's perspective and therefore to improve support and feedback provided to our players.

This year, with support from Trina Henare of Netball Northern, we have seen a number of coaches engage with the Player Centred Coaching Module, as well as with other modules on Attack and Defence. At a Regional Level, Sophie Tua has been appointed as Coach Developer for the Northern Zone, along with Chonaire Huriwai in Auckland and this will bring many opportunities for Kerikeri Coaches to continue to build their skills, development and capacity in the New Year.

At Senior Prizegiving, several coaches from Kerikeri were awarded their Community Coaching Award Level 1. This qualification is the result of many hours of study and workshop participation, as well as the completion of Online Modules. Participants come away with high quality, useable resources, to improve their coaching. Congratulations to the following coaches, who completed CCA Level One:

Anna Jordan  
Karen Hodge  
Lauryn Jarman  
Arona Tipene

One of the ways in which additional opportunities for coaches are always provided is at Representative level. I would like to thank Trudi Porter, Lauryn Jarman, Hannah Watson, Cherie Going, Jo Hona and Sharna May for becoming Representative Coaches in 2018. As a result of a strong field of experienced coaches, we were able to field four development teams in Year 7 and 8, which provided many additional opportunities for our youngest Representative players. We also took away strong Under 15 and Under 17 teams.

In 2019, I would love to see our coaches continue to work collaboratively; supporting each other in what can sometimes be a lonely position. If you are a new coach starting out, or would just like some support and guidance, please do not hesitate to get in touch with us via [admin@kerikerinetballcentre.co.nz](mailto:admin@kerikerinetballcentre.co.nz)

Kia ora rawa atu

# JUNIOR COMPETITION

2018 was another extremely successful year of competition in our Junior competition, with teams competing in our Year 7 and 8 grades. In the second round of the competition, the decision was taken to regrade the teams in to A, B and C grade and this allowed for a close and competitive competition.

It was wonderful to see so many teams competing and there were some very exciting semi-finals and finals. It is due to the commitment and energy of coaches, managers, umpires and the players themselves that this competition is so successful and the Centre would like to acknowledge all of the people who support our youngsters to participate in Netball each Saturday morning.

IN 2018, we continued with the national rollout of the Netball New Zealand ANZ Future FERNS programme; this now being extended to all players from Year 1-6, throughout New Zealand. The modified games, with less players on the court, have been designed to encourage maximum participation, skill development and enjoyment. We would like to thank the Star Helpers, who supported our youngest players each week; enabling them to have fun and learn new skills.

The ANZ Future Ferns programme was successfully administered this year by Jo Hona, with support from Hannah Watson and Lauryn Jarman, who ran the warm-up each week.

We would like to thank and acknowledge all of our Future Ferns and Junior Clubs:

# JUNIOR REPRESENTATIVE DEVELOPMENT TEAMS

A real positive for our Centre this season has been the extension of our Representative Programme. In line with player development in other Centres, it was decided that four teams would be created across Year 7 and 8, to allow more of our youngest Representative players to experience higher level netball and competition.

The four teams all had success during the season, in terms of both performance and development. They competed in both the Kerikeri Netball Centre Representative Tournament in July and the Whangarei Field Days Tournament in August.

It has been a real pleasure to watch these fantastic young players making the most of their opportunity to represent their Centre. Their attitude has been outstanding. Well done girls.

Kerikeri Netball Centre would like to sincerely thank all of the Year 7 and 8 Development Coaches this year for extending the opportunities for our youngest players. We believe as a Centre that this will help to build Kerikeri Netball Centre's athlete capacity in future years. We would also like to thank and acknowledge the Managers of these teams, who give so much in terms of time and organisation. Finally, we would like to thank and acknowledge the Umpires; some of whom were working towards their umpiring qualifications, whilst also serving Kerikeri Netball Centre.

# Representative Netball Tournament

This year we were excited to host the Kerikeri Netball Centre Representative Tournament in which representative teams from Kerikeri, Te Raki Paewhenua, Mangonui, Whangarei, Bay of Islands, Northern Wairoa and Hibiscus Coast competed in Year 7, 8, 9, Under 15 and Under 17 levels. This tournament continued to grow this year and the day was an outstanding success with lots of positive feedback. This representative tournament is now a permanent fixture in the Netball New Zealand calendar and will undoubtedly attract more entries next year.

## Representative Netball Tournament Results

# SENIOR PRIZEGIVING

It has been another great season in the Senior Competition at Kerikeri Netball Centre. We have loved watching teams battle it out week after week and have hugely appreciated the support from previous Committee members, whanau and friends. This support helps our wonderful sport to be at the heart of our community and our drive to increase capabilities throughout our sport. On Finals Night, it was great to see so many whanau and past Committee members watching the final games for our season.

One of the other many positives this year has been the comradeship between teams, whilst still maintaining a strong competitiveness on the court. We would like to acknowledge the many coaches, managers and umpires who are involved with the many aspects of the Senior Competition. We could not have the exciting competition we have without you.

2018 was an extremely exciting and successful year for Kerikeri Netball Centre Under 15s. The Centre took the decision this year to forego a Year 9 Representative team. This eventuated in some Year 9 players successfully trialing for the Under 15 team. This was obviously a huge step up for many of those young players. However, they rose to the challenge and worked extremely hard to earn their position on court. The maturity and fantastic role modelling of the older players, under the captaincy and vice-captaincy of Andrea and K'lee helped the team to bond very quickly and focus on the job that needed to be done on court.

At the Kerikeri Netball Centre Tournament, the girls had a shaky start with a loss to a strong Whangarei team. However, they came together as the day progressed; winning several games. In an important match against an outstanding Mangonui team, we lost by only 2 goals, with the result being decided in the final two minutes of the game. This pressure and high level of competition helped to build resilience within the team and pushed them to extend their skills. Due to some close results, Kerikeri Under 15s finished the day as Tournament Runners-Up.

Our second and final tournament was the Whangarei Field Days. The girls won every game they played; including against Whangarei. Our game against Mangonui was an absolute thriller; clinching the match by one goal at the very end. Improvements in skill, tenacity, endurance and teamwork were extremely evident and this has to come down to the very positive attitudes of the players. Their attitude at trainings throughout the season was exceptional and the huge level of support that they provided for each other meant that team morale was extremely strong.

The support from Representative parents, Kerikeri Netball Centre, our fantastic umpire Abby and the Under 17 girls was a huge part of the team's success this year. I would also like to thank my long-term partner in crime Anna Jordan. As Manager, Anna organises my chaos, which is not an easy task. She has been an invaluable support to me as a manager and co-coach for the past six years and I would hate to coach without her by my side. Thank you also to all of the girls for having such a fantastic "go get 'em" attitude and to the parents for their unfailing support of Anna and I.
