Kerikeri Netball's code of conduct governs any member, player, team umpire, coach, manager, volunteer and any other person who, participates, spectates and/or is involved in any way in any activity held at KKNC facilities or is involved in any activity under the auspices of KKNC.

Kerikeri Netball Centre Code of Conduct

- Respect others at all times
- Be fair and honest at all times
- Be responsible for your own actions
- Do not abuse others verbally or physically
- Do not discriminate against others
- Be safety conscious for yourself and others at all times
- Be a positive role model

Behaviour on the Court

Unacceptable behaviour will not be tolerated in any form from any member or spectator. Unacceptable Behaviour includes:

- Violence in any form
- Assault by any member or spectator on another person
- Verbal abuse by any member or spectator toward any other member or spectator.

Netball New Zealand General Code of Conduct and Ethics

KKNC and all members of the KKNC are affiliated to Netball New Zealand (NNZ) and therefore are bound by the rules, regulations and code of conduct of NNZ which are:

- Be aware of and maintain an uncompromising adherence to NNZ stands, rules, regulations and policies.
- Operate within the rules of netball including national and international guidelines which govern NNZ, the Netball Zones and Netball Centres except where stated. Such exceptions will be advised in each competition rule or competition pack.
- Do not use your involvement with NNZ, a Netball Zone or Netball Centre to promote your own beliefs, behaviours or practices where these are inconsistent with those of NNZ, a Regional Entity or Netball Centre.

PLEASE MAKE SURE YOU READ THE REGULATIONS BEFORE THE COMPETITION COMMENCES

Kerikeri Netball Centre takes no responsibility if you choose to neglect the information provided in the regulations. These can be found at www.kerikerinetballcentre.co.nz

RESPECT YOUR UMPIRES.....

The age-old debate about the standard of umpires seems to be an ongoing issue. Our umpires are continually blamed for close losses, wrong calls and some say they generally have no idea about netball and the rules. No wonder it is hard for umpires to recruit and increase participation, given all of the harassment they receive.

We understand you can be frustrated at times with an umpire's decision during the game but the role of umpire must be recognized and respected by everyone.

The actions can have a much greater impact than what you think on an umpire, especially our juniors. We need to reiterate the need to treat umpires with respect.

When you say nasty things you don't realize you are hurting the young umpires concentration on the game and discouraging them from continuing to work as an umpire in the future and without umpires there's no netball.

Coaches, players, parents, and spectators should never argue or dispute the decision of an umpire, make negative or derogatory remarks or gestures towards an umpire, or otherwise behave inappropriately to disturb the normal course of play in a game. Not only is this behaviour setting a bad example for players, it distracts the umpire, makes the coach's job harder, and takes away from the enjoyment of the game. Remember, it's only a game, and it's important to set a good example of respecting the umpire for our young players.

If you believe you have what it takes then we'd like to hear from you and ask that any umpire receiving abuse or harassment to report it to Tanya, our Umpiring Development Officer. Thank you

A Question and Answer Session will be available on Saturday 4/5/19 at 10am. Please feel free to drop in and talk to our Umpire Development Officer Tanya Proctor to seek any clarification or umpire support.

Health and Safety

- Please keep the Disabled Carpark free for cars displaying the mobility sticker and for ambulance parking in case of emergencies
- No smoking
- No scooters
- No skateboards
- No bicycles
- No prams

First Aid Procedure

- Ice will be available from the Canteen.
- In the event of a serious medical emergency please seek assistance from the Control room.

Team Cards

- Team cards will pre-printed with players names as per the registration forms. Umpires will tick off all players taking the court. Any amendments to team cards will be manually adjusted by the Executive as changes are advised. All players must play 3 games to be able to play in Semi Finals/Finals.
- All team lists are available at the end of this booklet.

Defaults:

- According to International rules up to 1 minute from the scheduled start time is allowed for a team to take the court ready to start playing before losing by default. A warning is issued by the umpire.
- A default by any team without notification will incur a penalty of 4 points.
- KKNC Executive Committee may, at its discretion, withdraw from the competition any team that regularly defaults, ie a minimum of two defaults in any season.

Special Awards

Each year Kerikeri Netball has the opportunity to acknowledge and present awards to recognise individuals who have contributed significantly to netball at our Centre.

It is acknowledged that many individuals' efforts are the result of several years' commitment and involvement, so while a nomination is made in a particular year it does however recognise the total contribution. A nomination can include a volunteer, coach, administrator or official but the individual **must** be unpaid.

Service Award

The Service Award acknowledges an individual for their contribution to netball with a minimum of five years' service.

Nominations can be made by an affiliated member or club or Executive member. A Service Award may be conferred for outstanding service to the centre in the following areas:

- Administration
- Managing
- Coaching
- Umpiring
- Playing
- A combination of the above

Nomination forms will be available via our website www.kerikerinetballcentre.co.nz

Life Membership

The Life Membership Award acknowledges an individual for their contribution to netball with a minimum of 15 years service.

The holding of a Service Award is a prerequisite for a Kerikeri Netball Centre Life Membership Award. It is emphasized that the Life Membership qualification involves more than sustained excellence in routine duties over many years in club work and netball centre work, whether these facts are taken singly or in combination.

Nomination forms will be available via our website www.kerikerinetballcentre.co.nz
